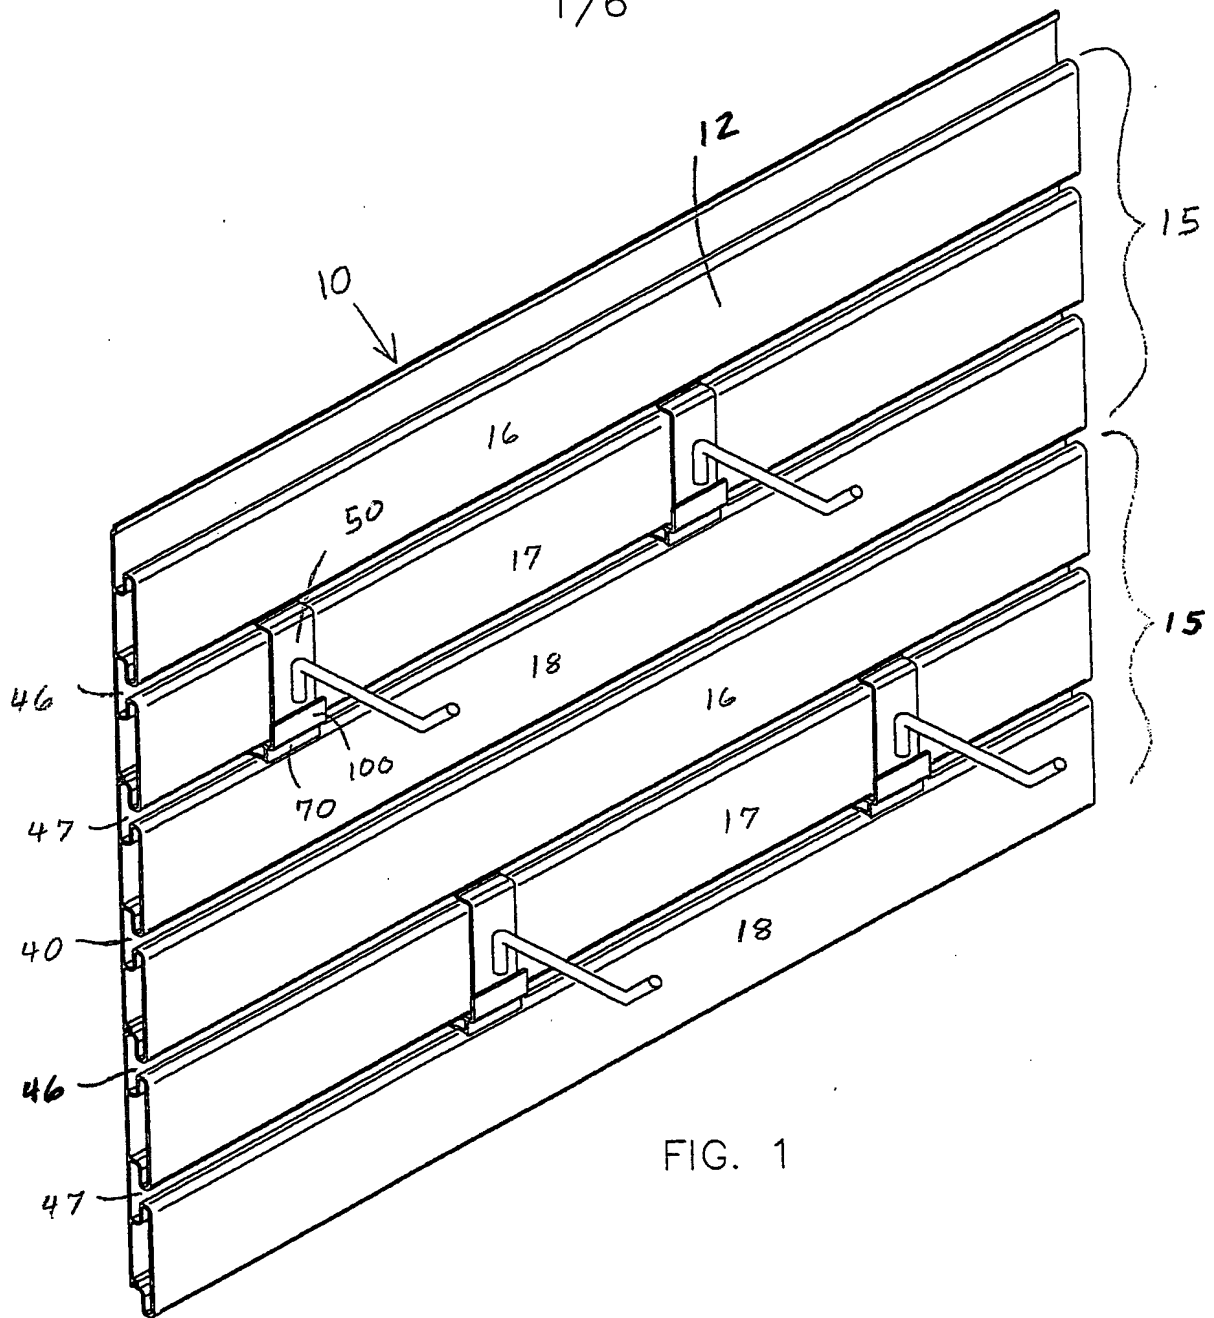

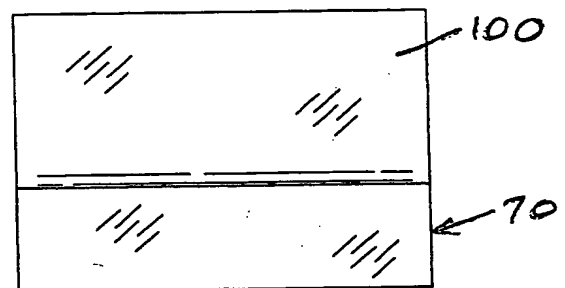

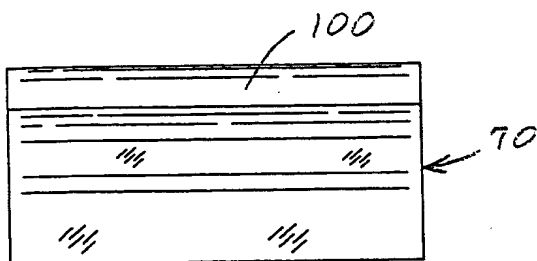

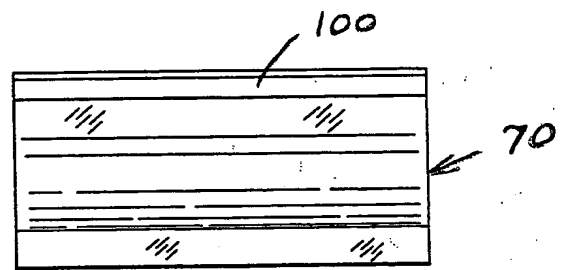

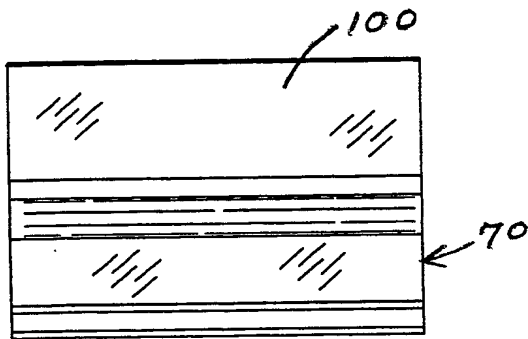

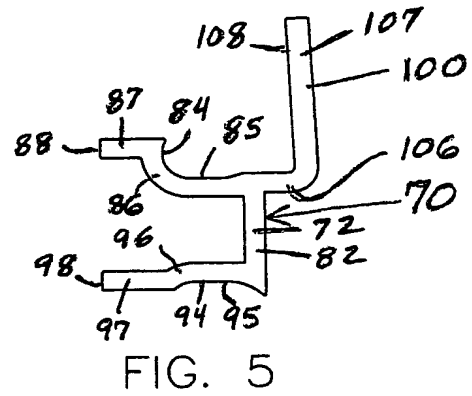

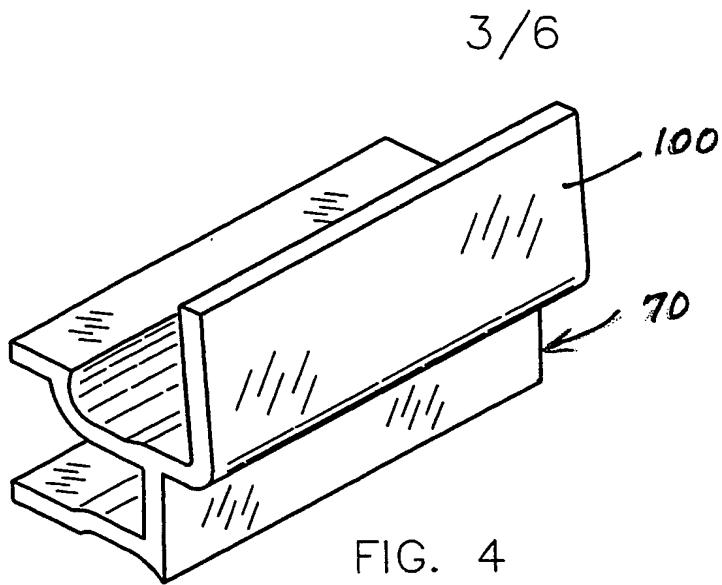

FIG. 1

## Sheet 2 of 6

FIG. 1 is a cross-sectional view of a mechanical assembly. The assembly includes a central component 24 with a U-shaped profile. This component is surrounded by a housing 17. A layer 58 is on the inner surface of the housing. A seal or gasket 100 is located between the central component and the housing. A bolt 70 is used to clamp the assembly. Other parts labeled include 72, 74, 75, 76, 77, 82, 83, 93, 31, 21, and 18.
